

Container Loading Supervision Report

General Information:	
Report Number	CLS-LCG23121303-TCLU6631681
Product Name	CONCRETE MIXER
PO No.	N/A
Ordered quantity	2 sets
Client name	---EJEMPLO---
Supplier name	---EJEMPLO---
Loading location	---EJEMPLO---
Loading date	2023-12-18
Container type	40HC
Container No.	TCLU6631681
Lock No.	CN43693AI

Inspection summary:		
Inspection Sections	Result (Y / N / PENDING)	On-site Findings/Comments
1. Quantity & Assortment	Y	PASS
2. Packing & Shipping marks	PENDING	No packing
3. Random quality "spot-check"	Y	PASS
4. Condition of containers	Y	PASS
5. Loading process	Y	PASS
6. Measurements	Reference	reference

Conclusion:	PENDING FOR PART 2
--------------------	--------------------

Special Comments:	1. Factory NO weight bridge to check weight of truck & container.
--------------------------	---
